

STANDARD SALES TERMS AND CONDITIONS

MM SOLUTIONS SALES ORDER

Buyer agrees that the purchase of good(s) and/or service(s) from MM Solutions will be governed exclusively by these terms and the explicit provisions of any applicable purchase order(s) (taken together, the “Purchase Order” or “Order”).

As used herein from time to time, “Seller” means MM Packaging Products, Inc., a Colorado business corporation d/b/a MM SOLUTIONS (also, “MM Solutions”), and “Buyer” means the Buyer of the goods (“Product” or “Products”) and/or services (“Service” or “Services”) that are subject of the Order.

1. **ACCEPTANCE; ENTIRE AGREEMENT.** Buyer’s acceptance of these terms and conditions shall be indicated by any of the following, whichever first occurs: (a) Buyer’s making of an offer to purchase Products from Seller; (b) Buyer’s written acknowledgment hereof; (c) Buyer’s acceptance of any shipment of any part of the Products; or (d) any other act or expression of acceptance by Buyer. Seller’s acceptance is expressly limited to the terms and conditions hereof in their entirety without addition, modification, or exception, and any term, condition, or proposals hereafter submitted by Buyer (whether oral or in writing) which is inconsistent with or in addition to the terms and conditions set forth hereon is objected to and is hereby rejected by Seller. Seller’s silence or failure to respond to any such subsequent or different term, condition, or proposal shall not be deemed to be Seller’s acceptance or approval thereof.

2. **DELIVERY AND FREIGHT.** Unless otherwise agreed in writing, delivery shall be made in accordance with Seller’s shipping policy in effect on the date of shipment. For all domestic transactions, unless otherwise stated on the front of the invoice, title to, and all risk of loss or damage with respect to the Products shall pass to Buyer upon delivery by Seller to the carrier or to Buyer’s representative. For all international transactions, Products shall be sold on a delivered, insurance paid, duty and international freight unpaid basis. Seller assumes no responsibility for charges attendant to Customs clearance in the country of delivery, customs duty, VAT or any other charges or taxes within the country designated for delivery by the Buyer. Title and risk of loss shall pass to the Buyer upon delivery to the port designated by the Buyer and prior to Customs clearance. In no event shall Seller have any liability to Buyer or any third party for any (i) damage to, or loss of, any vehicle used to carry Products purchased by Buyer from Seller, whether such vehicle belongs to Buyer or a third party, or to any other vehicle belonging to a third party; (ii) damage to, or loss of, the Products or to a third party’s property (real or personal); (iii) injury to any person (whether the driver of the vehicle carrying the Products or an unassociated third person); or (iv) any other loss of any kind, resulting from a failure by Buyer or a freight carrier to properly transport Products. To the fullest extent permitted by law, Buyer shall, at Buyer’s sole cost and expense, indemnify, defend, release and hold harmless Seller, and its officers, directors, agents and employees, from and against any and all claims, demands, lawsuits, or proceedings of any kind brought or threatened against Seller and/or its officers, directors, agents and employees resulting, in whole or in part, from any failure by Buyer or a third party freight carrier to properly transport the Products. Delivery is subject to the payment provisions set forth herein and to Seller’s receipt from Buyer of all necessary information and documentation from Buyer including all import certificates, exemption and/or resale certificates, licenses, and other documents as may be required from Buyer for export of Products. Buyer shall promptly notify Seller, in no event later than five (5) business days after delivery, of any claimed shortages or rejection as to any delivery. Such notice shall be in writing and shall be reasonably detailed, stating the grounds for any such rejection. Failure to give any such notice within such time shall be deemed an acceptance in full of any such delivery. If Buyer does not take delivery by the date which Buyer requested, then Seller may impose applicable storage fees for each day after such date until Buyer takes delivery.

3. **PRICE AND PAYMENT.** Buyer shall bear all applicable federal, state, municipal, and other government taxes (such as sales, use, and similar taxes), as well as import or customs duties, license fees and similar charges, however designated or levied on the sale of the Products (or the delivery thereof) or measured by the purchase price paid for the Products. (Seller’s prices set forth on the front side of the invoice may not include such taxes, fees and charges.) Exemption certificates must be presented prior to shipment if they are to be honored. Seller, at its discretion, may require reasonable advance assurances of payment through irrevocable bank letters of credit or

otherwise. All unpaid invoices shall bear interest at an amount equal to 1-1/2% of the outstanding balance per month (or the maximum rate of interest allowed to be contracted for by law, whichever is less), commencing upon the date payment is due. Buyer's failure to make timely payment may result in such action as commencement of proceedings for collection, revocation of credit, stoppage of shipment, delay or cessation of future deliveries, repossession of unpaid delivered goods, and termination of applicable sales agreements. Seller's invoices shall be due for payment in (30) days unless discount terms have been confirmed in writing or otherwise indicated on the face of the Order, in the amount shown on the invoice.

4. **MODIFICATIONS.** No modification of this Order shall be binding unless in writing and signed by an authorized representative of each party; provided, however, MM Solutions may at any time, at its sole discretion, make changes to any Product, including the source of supply of any components thereto, that do not adversely affect the performance of the Product. If Buyer requests that MM Solutions incorporate a design or engineering change into a Product, such request shall include a description of the proposed change sufficient to permit MM Solutions to evaluate it. The evaluation shall be in writing and shall state the impact of the requested change on the existing delivery schedule and cost. MM Solutions shall not be obligated to proceed with a requested change until the parties have agreed on the changes to the Product, specifications, estimated delivery schedule and pricing, and any other material matters.

5. **DELAYS AND CANCELLATIONS.** "Delay/Cancellation Costs" include all labor, materials, overhead, general and administrative costs, restocking charges, surcharges levied on material by outside suppliers, sub-vendor cancellation charges, excess inventory charges, value of storage space, inventory tax charges, banking and finance charges, scrapping and disposal fees, and other harm, costs and charges incurred directly or indirectly by MM Solutions in connection with a delay or cancellation of an order for any Products or Services. Cost will be determined according to the then-current cancellation and production policy of MM Solutions. Buyer is not entitled, without the prior written consent of MM Solutions (which may be withheld or conditioned in its sole discretion), to cancel or delay a delivery of any Products or Services for all or any part of an Order. MM Solutions may treat as a cancellation any proposed delay greater than 60 days. If MM Solutions consents to the cancellation or delay, Buyer shall pay a cancellation or delay charge in an amount determined by MM Solutions in its sole discretion to reflect all applicable Delay/Cancellation Costs, including, at a minimum, a storage charge, inventory carrying costs, financing costs associated with the finished Products or Services, work in process and raw materials, and costs of inactive labor, from the original request date until the time of delivery or performance. In the case of cancellation, the charge may also include a reasonable and equitable profit. If work on an Order requires material from Buyer or a third party selected by Buyer, and MM Solutions does not timely receive material that strictly conforms to its requirements, including physical properties and dimensions, MM Solutions may delay performance of or cancel the Order without liability, and Buyer shall compensate MM Solutions for all Delay/Cancellation Costs, including for costs incurred and time expended working on non-conforming material.

MM Solutions shall have the right, by written notice, to suspend performance, terminate any agreement of the parties, cancel any order, modify any payment terms, or require full or partial payment or adequate assurance of performance from Buyer, without liability for MM Solutions, in the event of a material adverse change in the Buyer's financial condition or if reasonable grounds for insecurity arise with respect to Buyer's performance of any agreement, evidence of which might include, among other things, (i) the failure by Buyer to make a payment to MM Solutions when due, (ii) Buyer's inability to obtain financing, (iii) a reduction in Buyer's credit rating by a recognized rating agency, (iv) Buyer's insolvency, (v) the filing of a bankruptcy by or against Buyer (whether voluntary or involuntary), (vi) the appointment of a receiver or trustee for Buyer, (vii) the execution by Buyer of an assignment for the benefit of creditors, or (viii) any other event which raises reasonable doubts as to Buyer's creditworthiness. The modifications MM Solutions may make to payment terms include, without limitation, shortening the payment period, requiring advance payment, or requiring payment of cash on delivery or prior to production. MM Solutions shall notify Buyer in writing of any modifications to payment terms, which may be made retroactive to include amounts then accrued but unpaid. MM Solutions reserves the right to cancel Buyer's credit at

any time for any reason, without notice. The foregoing remedies are in addition to any other rights and remedies of MM Solutions under any agreement and applicable law

8. **WAIVER.** A waiver of any term or condition of the Order must be in writing. No such waiver shall be construed as a waiver of any other term or condition, or as a waiver of any subsequent breach of the same term or condition, and no failure to enforce a term or condition shall effect any waiver of all or part of such term or condition.

9. **TERMINATION.** Either party may terminate the Order upon written notice with immediate effect if: (a) the other party commits a material breach of this Order and fails to remedy this breach within thirty (30) days of written notice requiring it to do so; or (b) the other party makes an assignment for the benefit of its creditors or a proposal under any applicable bankruptcy or insolvency legislation, is declared bankrupt or insolvent, has a trustee, receiver or receiver manager, liquidator or other officer with similar powers appointed for all or any material part of its property, or is the subject of an order or resolution for its winding up.

Unless otherwise specified herein or in a separate writing between the parties, any action, regardless of form, arising out of an Order or any sale of Products or Services must be brought within one year of the date of delivery of the applicable Products or Services or the date of the event giving rise to the purported claim, whichever is earlier.

Cancellation or modification of all or part of any Order is subject to the prior written consent of MM Solutions in each instance. If returns are allowed, no claims will be recognized in regard to Products disposed of or returned without Seller's advance written consent, and no shipping costs on returns will be paid unless previously authorized in writing by Seller. Seller will use such specific tooling exclusively to make goods purchased by Buyer, but Seller reserves the right to use, modify, sell, or destroy such tooling without notice after the lapse of eighteen (18) consecutive months without receipt of an acceptable purchase order for the standard minimum run of any Products.
